Guides/Management:

Retrace the route Lewis and Clark traveled through North Dakota in 1804-1805, while fishing the historic Missouri River. Rolling Plains Adventures fishing professionals will guide you to catch massive Walleye found on the Missouri River. This 300-mile long river system takes travelers into the past.

Our fishing guides offer over 60 combined years of experience, are equipped with fully rigged walleye boats, and are very versatile with tactics to catch Walleye.
